

Cable marking Change Notification

In order to improve our product portfolio we have decided to make internal change for Cable marking for following cable types:

Old Cable types marking:

/137; /132; /113; /081

New Cable types marking:

MC137; MC132; MC113; MC081

Other cable types remain without any changes.

Please note that ALL cable specifications remains valid and performance is the same as previously released.
